** Aminolabs group uses an "average weight" procedure for determining the nominal weight of all its products, as described in EU Directive 76/211/EEC. For products sold within the EU, this should be indicated on all packagings by using an e-mark "e" with a minimum height of 3 mm in close proximity to the net weight. If you sell your products outside the EU, please make sure that the indication of the net content on the packaging is compliant with local regulations.*
